

# NYSIM Instructor Course

*This course is only offered for CUNY and NYULMC faculty and staff*

**NYSIM**  
a new paradigm for  
training and educating  
healthcare professionals

## **New York Simulation Center for the Health Sciences (NYSIM)**

462 1st Ave, C&D Building, 3rd Floor  
Located inside Bellevue Hospital  
New York, NY 10016

## **Course Description**

Health professions faculty are increasingly called upon to teach with simulation. This field is new and rapidly changing. The New York Simulation Center for the Health Sciences (NYSIM), a partnership of NYU Langone Medical Center and The City University of New York, is a local, regional and national resource for simulation based education. The NYSIM Instructor course is the ideal immersive experience for simulation instructors from all health professions. In this course, participants will collaborate in small groups to conduct and participate in simulation and debriefings, as well as receive feedback on their debriefings and scenarios.

## **2015 Dates**

November 16th-18th  
December 15th-17th

## **2016 Dates**

January 26th-28th
