Maintenance of Certification in Anesthesiology (MOCA) – Simulation Training

Sep 10th, 2017 | 8AM - 3PM

\$1,800 - 6 hours
- Breakfast and lunch included
PER PERSON - Only 8 maximum participants

Register Online: <http://nysimcenter.org/course-registration>

Target Audience

Board-certified anesthesiologists in the maintenance of certification process

Course Synopsis

The NYULMC Department of Anesthesiology and the New York Simulation Center for the Health Sciences (NYSIM) are now offering a one day simulation training course in anesthesia crisis management. We have been approved by the American Society of Anesthesiologists' (ASA) Committee on Simulation Education to provide simulation training for ABA Diplomates seeking to fulfill their Practice Performance Assessment and Improvement (PPAI) requirement for MOCA®. Please consult the ABA website, www.theABA.org, for a list of all other MOCA® requirements. MOCA® and Maintenance of Certification in Anesthesiology Program® are registered trademarks of The American Board of Anesthesiology, Inc.

Each MOCA Simulation Course includes

- A minimum of six hours of total course instruction
- Active participation in realistic simulation scenarios
- Post-scenario peer debriefing
- Management of difficult patient-care scenarios
- An emphasis on teamwork and communication
- At least one opportunity to be the primary anesthesiologist-in-charge (i.e., the "hot seat")
- Small course size of two to eight participants, with two to three instructors per course

Course Objectives

At the conclusion of this activity, the participants should be better able to:

- Evaluate and treat significant hypoxemia from multiple causes, including difficult airway management
- Discuss principles of crisis resource management and practice teamwork, communication and leadership skills
- Manage significant hemodynamic instability
- Describe latest practice advisories and recommendations for managing critical incidents

Brian Kaufman, M.D.

Professor, Department of Medicine
Professor, Department of Anesthesiology,
Perioperative Care, and Pain Management
Professor, Department of Neurosurgery
NYU Critical Care Associates

Mitchell Lee, M.D.

Assistant Professor, Department
of Anesthesiology
Perioperative Care, and Pain Medicine
Assistant Residency Program Director
NYU Anesthesia

Course Cancellation Policy

If the course is cancelled due to inclement weather, insufficient enrolment or any other reason, NYU will refund the registration fees in full. NYU will provide at least two weeks advance notice if cancelling due to insufficient enrollment and as soon as possible in all other circumstances. NYU is not responsible for any airfare, hotel or another non cancellable costs incurred by registrant.

Refund Policy

In order to request a refund you must email nysim@nyumc.org at least 3 weeks prior to the course. An administrative fee of \$100.00 will be deducted from your refund. Cancellations or no shows after this date are not eligible for refund. Registration is non-transferable

Accreditation Statement

The NYU Post-Graduate Medical School is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation Statement

The NYU Post-Graduate Medical School designates this live activity for a maximum of 6.75 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement

The NYU Post-Graduate Medical School adheres to ACCME accreditation requirements and policies, including the Standards for Commercial Support regarding industry support of continuing medical education. In order to resolve any identified Conflicts of Interest, disclosure information is provided during the planning process to ensure resolution of any identified conflicts. Disclosure of faculty and commercial relationships as well as the discussion of unlabeled or unapproved use of any drug, device or procedure by the faculty will be fully noted at the meeting.
