April NYSIM IT Announcements: Cisco Jabbar

We are excited to announce that we are piloting the Cisco Jabber chat tool at NYSIM in order to enhance the way we support our customers.

Q: What is the Cisco Jabber chat tool?

A: Jabber lets you instant message your simulation facilitator in order to request support during your educational program, giving your teams the freedom to be productive from anywhere, on any device.

Q: How do I request the Cisco Jabber chat tool?

A: After our pilot, we will be instructing faculty on how to chat with your assigned simulation facilitator using the computer in your control room.

Q: I like the radios. Will NYSIM replace all the radios with the Cisco Jabber chat tool?

A: NYSIM will continue to have radios at your disposal. However, we believe that the chat tool will be a faster and less cumbersome way of communicating with your NYSIM simulation facilitator

If you have any further questions about the pilot or if you would like to participate, please email nysimIT@nyumc.org

Dr. Learner elected as new Vice Chair for OB/GYN Special Interest Group

Our own Dr. Veronica Learner was elected as the Vice Chair for the Society for Simulation in Healthcare OB/GYN Special Interest Group. Her term of service will start January 1, 2016 and end December 31, 2017. We are excited to have a growing simulation leadership presence in the international society. Speaking on her new role, Dr. Lerner said, "I have been in the 'trenches' of all aspects in simulation, and now I am hoping to take it to the next level and to facilitate collaboration, coordination, innovation and growth in our simulation community at SSH."

Congratulations Dr. Learner!

Veronica Lerner, MD, FACOG

Hot Topics in Simulation Education: Call for Abstracts

Submit a poster abstract by 5pm EST, June 20, 2016 to share your work at our 4th Annual Hot Topics in Simulation Education symposium! Works in progress are welcome. Abstracts that have been presented at other symposia, meetings and conferences are also welcome.

For more information about format, submission types, and instructions on how to submit, please visit: <http://nysimcenter.org/symposium/hot-topics>

Simulation Instructor Training

in New York City

Sponsored in collaboration with
City University of New York and NYU Langone Medical Center

Registration is now open for Simulation Instructor Training in New York City

From June 28th to July 1st, 2016, NYSIM will once again host the premier simulation instructor-training course. Faculty from the Center for Medical Simulation will join NYSIM faculty to offer this internationally revered course here in New York City. Space is limited to 20 participants.

"Simulation as a Teaching Tool"

Tuesday, June 28 - Friday, July 1, 2016

Course Synopsis

A 4-day intensive healthcare simulation instructor training course geared toward simulation educators who seek to create high-quality healthcare simulation programs.

Learn how to teach clinical, behavioral, cognitive skills through simulation for undergraduate, graduate medical, nursing and allied health domains through simulation scenarios, lectures, small and large group discussions, and practical exercises with feedback.

Course Location

462 First Avenue, 3rd Floor C&D Building
New York, NY 10016

Course Fee

\$4750.00 (Fee includes Breakfast, Lunch, Snacks & Course Materials). Center for Medical Simulation Certificate will be issued at course conclusion.

For information please visit: <http://www.nysimcenter.org/courses/instructor-courses>

Upcoming Events at NYSIM

Comments, suggestions and questions to NYSIM@nyumc.org are always welcome to create a better learning and teaching environment for our faculty and learners.

NYSIM Instructor Course 2016 & 2017

The 3-day NYSIM Instructor Course focuses on debriefing skills and simulation design. Sessions include Objective Oriented Debriefing, Advanced Debriefing Topics and Simulation Scenario Design. Breakfast & lunch are provided. Please email Pedro.Sulzona@nyumc.org with questions.

To register click the following link: <http://www.nysimcenter.org/learn/register-courses>

Jul 13—15, 2016 (W/TH/F) - Wait List only

Aug 30—Sept 1, 2016 (T/W/TH) - Registration Open

Nov 1—3, 2016 (T/W/TH) - Registration Open

January 10 – 12, 2017 (T/W/TH) - Registration Open

February 21 – 23, 2017 (T/W/TH) - Registration Open

March 7 – 9, 2017 (T/W/TH) - Registration Open

Save the Date—Fourth Annual Hot Topics in Simulation Education Symposium—October 19, 2016

NYSIM organized world-class conferences and symposia on simulation and education with a focus on cutting edge topics such as Interprofessional Education, Faculty Development, Research and Assessment.

To view the agenda from the 2015 Symposium please click the link below:

The Frank and Sarah Olson Visiting Professors and Grand Rounds Series in Simulation and Education

Stay tuned for upcoming dates and Speakers

Visiting Professor Workshop 2:00am—4:00pm: TBD

Grand Rounds Workshop 5:00pm—6:30pm: TBD

If you are interested in speaking or would like to suggest a topic, please contact Demian.Szyld@nyumc.org

*CME Credits will be awarded by the NYU Post Graduate Medical School for completion of the course

Accreditation Statement

The NYU Post-Graduate Medical School is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians Credit Designation Statement. The NYU Post-Graduate Medical School designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement

The NYU Post-Graduate Medical School adheres to ACCME Essential Areas and policies, including the Standards for Commercial Support regarding industry support of continuing medical education. In order to resolve any identified Conflicts of Interest, disclosure information is provided during the planning process to ensure resolution of any identified conflicts. Disclosure of faculty and commercial relationships as well as the discussion of unlabeled or unapproved use of any drug, device or procedure by the by the faculty will be fully noted at the meeting.
