NYSIM hosts 1st Annual Symposium for Administrators in Healthcare Simulation

On Thursday, June 2, 2016, The New York Simulation Center for the Health Sciences hosted its 1st Annual Symposium for Administrators in Healthcare Simulation. This symposium was conducted in collaboration with The Cleveland Clinic's Simulation and Advanced Skills Center for Advanced Skills Training. NYSIM welcomed over 25 simulation administrators from around the country for a day of plenary sessions, panels, and discussions. We were fortunate to have three speakers, including Dr. Morrison from MIT Sloan School of Management, who conducted a workshop on simulation center metrics. Following Dr. Morrison, NYULMC's own Brian Nemiroff spoke regarding strategy map articulation. Lastly, Megan Sherman and Farrah Leland, JD from the Institute for Simulation in Healthcare at University of Washington (Seattle, WA), spoke about improving simulation center operations through creative staffing, and had participants play a simulation staffing game called "simopoly."

NYSIM hopes that this symposium will be an annual event that rotates across simulation centers throughout the country and initiates conversations amongst simulation center administrators.

Workshop: Dr. J. Bradley Morrison

Christopher Chung

Christopher Chung accepts position with NYU Langone's Neonatal Intensive Care Unit

We are excited to announce that our own Christopher Chung has accepted a position with NYU Langone's Neonatal Intensive Care Unit as a Registered Nurse. Chris graduated in 2015 from New Jersey City University with an accelerated B.S. in Nursing. He originally joined the NYSIM team as a full time Simulation Facilitator in June 2012, and continued with us per session during his nursing program.

Chris relayed this message to the NYSIM community:

"It is very difficult to express the amount of gratitude that I feel for each of you for this accomplishment. NYSIM has been such a comprehensive part of my journey into nursing. Indeed, it is impossible to distinguish between my working at NYSIM and my nursing development. I have drawn so much from my experience working with each of you and will undoubtedly continue to draw wisdom and inspiration in the future."

On behalf of all NYSIM staff, we would like to wish Chris the best of luck for the next step in what promises to be an illustrious and fulfilling career.

New Equipment: SimMan 3G Leslie

NYSIM is pleased to announce the addition of a fourth SimMan 3G patient simulator to the impressive arsenal of high tech adult and child mannequins available for your simulation programs. SimMan 3G is designed to deliver the most realistic training possible, whilst remaining simple to operate. Practitioners and students can perform a range of bedside and emergency procedures on these simulated patients, such as assessment and vital signs, history and physical examination, patient monitoring, defibrillation, synchronized electrical cardioversion, oral and nasal intubation, nasogastric tube insertion, intravenous catheter insertion, urinary catheter insertion, and other specialized procedures. With a wealth of innovative features including automatic drug recognition, light sensitive pupils, and bodily fluid excretion, SimMan 3G offers countless ways to achieve your simulation's objectives.

For an overview of the equipment offered at NYSIM, please visit our website at <http://nysimcenter.org/equipment>.

NYSIM IT Update

The NYSIM QA environment is now on the SimulationIQ Mercury release. If you have any questions about what's new in this release and would like to have access to this site, please contact us at nysimIT@nyumc.org.

Upcoming Events at NYSIM

Comments, suggestions and questions to NYSIM@nyumc.org are always welcome to create a better learning and teaching environment for our faculty and learners.

NYSIM Instructor Course 2016 & 2017

The 3-day NYSIM Instructor Course focuses on debriefing skills and simulation design. Sessions include Objective Oriented Debriefing, Advanced Debriefing Topics and Simulation Scenario Design. Breakfast & lunch are provided. Please email Pedro.Sulzونا@nyumc.org with questions.

To register click the following link: <http://www.nysimcenter.org/learn/register-courses>

Jul 13—15, 2016 (W/TH/F) - Wait List only

Aug 30—Sept 1, 2016 (T/W/TH) - Wait List Only

Nov 1—3, 2016 (T/W/TH) - Wait List Only

January 10 – 12, 2017 (T/W/TH) - Registration Open

February 21 – 23, 2017 (T/W/TH) - Registration Open

March 7 – 9, 2017 (T/W/TH) - Registration Open

Save the Date—Fourth Annual Hot Topics in Simulation Education Symposium—October 19, 2016

NYSIM organized world-class conferences and symposia on simulation and education with a focus on cutting edge topics such as Interprofessional Education, Faculty Development, Research and Assessment.

To view the agenda from the 2015 Symposium please click the link below:

The Frank and Sarah Olson Visiting Professors and Grand Rounds Series in Simulation and Education

2015—2016 ACADEMIC YEAR GRAND ROUND DATES

July 7, 2016—Gabriel Reedy, MD, Dir. Of Academic Programmes at King's Learning Institute

July 19, 2016—Donna Nickitas, PhD, RN, NEA-BC, CNE, FAAN, Executive Officer, Nursing PhD Program at CUNY Graduate Center

July 7th

Visiting Professors Workshop: 2:00am—3:30pm: Educational Activity in the Health Professions as a Scholarly Endeavour: Lessons from Design-Based Research

Grand Rounds Workshop: 5:00pm—6:00pm: Innovations in Simulation-Based Education: Thinking Differently about Sim

July 19th

Visiting Professors Workshop: 8:00am—4:30pm: Writing for Publication: Getting It Right

If you are interested in speaking or would like to suggest a topic, please contact Demian.Szyld@nyumc.org

*CME Credits will be awarded by the NYU Post Graduate Medical School for completion of the course

Accreditation Statement

The NYU Post-Graduate Medical School is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians Credit Designation Statement. The NYU Post-Graduate Medical School designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement

The NYU Post-Graduate Medical School adheres to ACCME Essential Areas and policies, including the Standards for Commercial Support regarding industry support of continuing medical education. In order to resolve any identified Conflicts of Interest, disclosure information is provided during the planning process to ensure resolution of any identified conflicts. Disclosure of faculty and commercial relationships as well as the discussion of unlabeled or unapproved use of any drug, device or procedure by the by the faculty will be fully noted at the meeting.
