

## News at NYSIM

### NYSIM Presents at ASPE 2024!

This summer, NYSIM SP Educator, Ginny Drda, and NYUGSOM OME SP Educator, Meg Anderson, attended and co-presented at the Association of Standardized Patient Educator (ASPE) conference in Vancouver, BC. ASPE is the global network for human simulation education, and hosts an annual meeting to share innovations and best practices with the international SP Educator community.

Ginny and Meg presented “*Measuring Our Success: A Standardized Participant Quality Assurance Program*” which highlighted our innovative SP quality assurance program. The session was well attended and received a lot of positive feedback! Special thanks to co-authors Brielle Blatt, Katie Tame, Katie Allen, Donna Phillips, and Sandy Zabar for their contributions.

### NYSIM Instructor & Program Coordinator Experience Survey

The new **NYSIM Instructor and Program Coordinator Experience Survey** provides us with valuable feedback that we can use to enhance our systems, operations, and technological advances. We invite you to complete it every time you complete a program at NYSIM. NYSIM is committed to providing you and your learners with an optimal education experience. We look forward to hearing from you!

Scan the QR code below to be directed to the survey:

## News at NYSIM

### NYSIM Highlights: New Equipment

NYSIM would like to announce the acquisition of our new SimNewB infant simulator, “Riley”! Riley’s tetherless ability will provide our CUNY, UME, GME and NYU Nursing faculty with the adaptability and flexibility to perfect their skills during programs, in any space, at NYSIM.

Riley’s features include:

- Umbilical Blood and Cords
- Meconium aspiration module
- Silicone airway lubricant
- Leg Skins (Left and Right)
- IO Leg patches

To learn more about Riley and all of our equipment, please visit [www.nysimcenter.org/equipment](http://www.nysimcenter.org/equipment).

Enjoy photos of the NYSIM Directors and Administrative Coordinator embracing the new bundle of simulation joy!

### Teaching at NYSIM

If you are interested in holding a program at NYSIM, please see the link below to request a program:

<http://nysimcenter.org/request-new-program>

Submit an education consult request to meet 1:1 with a Director who can answer questions, and help you develop your new or existing program! <http://nysimcenter.org/request-simulation-education-consult>

Comments, suggestions and questions to [NYSIM@nyulangone.org](mailto:NYSIM@nyulangone.org) are always welcome to create a better learning and teaching environment for our faculty and learners.

## Upcoming Events at NYSIM

### NYSIM's Virtual Hot Topics in Simulation Education Symposium

[Register Here!](#)

## Leveraging Artificial Intelligence to Advance Simulation-Based Health Professions Education

### Virtual Hot Topics In Simulation Education Symposium

*Sponsored by the New York Simulation Center for the Health Sciences (NYSIM)*

**Date:**  
Friday, October 18, 2024

**Virtual Symposium:**  
9:00am - 1:00pm EST

**Vendor Demonstrations:**  
1:00pm - 2:00pm EST

**Location:**  
Via Zoom

**Who should attend?**  
This symposium is ideal for healthcare professionals and educators looking to stay at the forefront of simulation innovations. It will offer valuable insights and practical strategies for those interested in integrating artificial intelligence (AI) into their simulation practices.

**What does the day include?**  
Plenary Talk, Interactive Speaker Presentations with Q&A, Panel Discussion and Vendor Demonstrations

**Symposium Fee:**  
NYULH: Free  
CUNY: Free with coupon code  
External: \$50

## Upcoming Events at NYSIM

### **NYSIM Fundamentals of Simulation Education (FUSE) Course 2025**

The 3-day NYSIM FUSE Course is the ideal immersive experience for all levels of simulation instructors. The course focuses on simulation design, management, and debriefing. Logistically it functions as a workshop where participants will gain the tools to take a problem or issue germane to them, craft their own learning objectives for a simulation, write their own case scenario, create their own checklists of simulation performance, pilot their simulation, and engage in debriefing practice all while receiving feedback from a community of educators. Join us and help light the FUSE to spark your simulation-based education!

The course will continue to be held live and onsite at NYSIM. <http://nysimcenter.org/>

### **2025 FUSE registration will open on October 4, 2024!**

**January 15-17, 2025—Wednesday—Friday**

**July 9-11, 2025—Wednesday—Friday**

**August 6-8, 2025—Wednesday—Friday**

To register for an open seat or request a spot on the waitlist click the following link:

<http://www.nysimcenter.org/courses/instructor-courses>

You will be contacted by Porsche Scott to confirm your registration and waitlist status. Please email Porsche Scott at [Porsche.Scott@nyulangone.org](mailto:Porsche.Scott@nyulangone.org) or [nysim@nyulangone.org](mailto:nysim@nyulangone.org) with any questions.

### **NYSIM Simulation-Based Education (SBE) Modules**

NYSIM SBE Modules offers great opportunities to explore basic simulation-based education concepts, simulation modalities, simulation instructional design, and standards of best practices in simulation. To access the NYSIM SBE Modules, please visit: <https://nysimcenter.org/sbe>.

## News at NYSIM

***The New York Simulation Center (NYSIM) is committed to supporting safe operations for all learners, faculty & staff.***

***Food and drinks are not permitted at NYSIM. Please remind your learners to refrain from bringing food to NYSIM, and ask them to store food and drink in their backpack or a locker. Thank you for your help in maintaining a clean environment.***

***Masks are now optional at NYSIM. The new masking safety guidelines have been updated to align with NYU Langone Health policy and reflect Department of Health recommendations. We will continue to make masks available at the front desk. We ask that anyone with fever, cough, or other flu and COVID-like symptoms not come to NYSIM.***

***Programs may elect to require masks for SP's, learners and faculty. This will be at the discretion of the program, and the responsibility of the program to communicate and enforce mask-wearing with the participants.***

***If anyone has any questions/concerns they should contact [NYSIM@nyulangone.org](mailto:NYSIM@nyulangone.org). Leadership at NYSIM will respond promptly to the email.***

***Thank you,  
NYSIM Team***
