4th Annual

Hot Topics in Simulation Education

A New York City Simulation Symposium

Sponsored by the New York Simulation Center
for the Health Science (NYSIM)

**Date:**

Wednesday, October 19, 2016

Time:

Symposium: 8am-5pm

Networking Cocktail Reception:
5pm-6:30pm

Locations:

NYSIM and Bellevue Hospital
Center Medical Library
462 1st Avenue, D Building
New York, NY 10016

Symposium Sign-In Location:

8th Floor, Bellevue Hospital
Center Medical Library
462 1st Avenue, D Building
New York, NY 10016

Who should attend?

All educators in health professions
who want to learn more about
the latest innovations and best
practices in simulation education.

What does the day include?

Plenary sessions, panel discussion,
breakout sessions, poster session.

Register Online:

<http://bit.ly/29SJXia>

NYSIM
THE CITY UNIVERSITY OF NEW YORK | NYU LANGONE
MEDICAL CENTER

Agenda

8:00am - 8:30am

Registration & Breakfast

8:30am - 8:45am

Welcome & Introductions

Grace Ng, MS, CNM, RNC-OB, C-EFM,
Symposium Co-Chair, NYSIM Nursing Director

Demian Szyld, MD, EdM,
Symposium Co-Chair, NYSIM Medical Director

8:45am - 9:15am

Plenary Session 1

Quality and Safety - What is Good Enough?

Carol Durham, EdD, RN, ANEF, FAAN
*Professor of Nursing
Director, Education-Innovation-Simulation Learning Environment (EISLE)
School of Nursing
University of North Carolina at Chapel Hill*

9:15am - 9:45am

Plenary Session 2

Simulation-Based Assessment: Why Aren't We Measuring Up?

Rose Hatala, MD, MSc, FRPCP
*Associate Professor, Department of Medicine, University of British Columbia
Director, Clinical Educator Fellowship*

9:45am - 10:15am

Plenary Session 3

That's Not What Real Patients Value: Patient-Centred Learning in Simulation

Debra Nestel, PhD, FAcadMed, CHSE-A
*Professor of Surgical Education
Department of Surgery, Melbourne Medical School
Faculty of Medicine, Dentistry & Health Sciences
University of Melbourne*

*Professor of Simulation Education in Healthcare
Faculty of Medicine, Nursing & Health Sciences
Monash University*

10:15am - 10:45am

Panel Discussion

Moderators:

Grace Ng, MS, CNM, RNC-OB, C-EFM
Demian Szyld, MD, EdM

Panelists:

Carol Durham, EdD, RN, ANEF, FAAN
Rose Hatala, MD, MSc, FRPCP
Debra Nestel, PhD, FAcadMed, CHSE-A

10:45am - 11:05am

Break

11:05am - 12:35pm

Breakout Sessions Round 1

Select one of the following sessions at time of registration

1A

Using Standardized Patient for Research

Sondra Zabar, MD, *NYU School of Medicine*

Colleen Gillespie, PHD, *NYU School of Medicine*

Adina Kalet, MD, MPH, *NYU School of Medicine*

Kinga Laura Eliaz, PhD, MSc, *McMaster University & NYU School of Medicine*

Lisa Altschuler, PhD, *NYU School of Medicine*

Kathleen Hanley, MD, *NYU School of Medicine*

1B

“The Safety Dance”: Partnering IPE and Patient Safety Initiatives Using Simulation

Ambrose Wong, MD, *Yale School of Medicine*

Maureen Gang, MD, *NYU School of Medicine*

Grace Ng, MS, CNM, RN, *NYSIM*

Lisa Wing RN BSN, *NYC Health + Hospitals/Bellevue*

1C

Developing or Implementing Rigorous Simulation-Based Assessments

Rose Hatala, MD, MSc, FRPCP, *University of British Columbia*

1D

Creating a New OSCE Program at a Medical School in Turkey

Lauren Alva, MA, *Koç University English Learning Center*

Baris Ata, MD, *Koç University School of Medicine*

Metin Kurtoglu, MD, *Koç University School of Medicine*

Nathan Bertelsen, MD, *Koç University School of Medicine*

Luke O'Donnell, MD, *NYU School of Medicine*

Jack Dougherty, MD, *NYU School of Medicine*

Erol Can Bayraktar, MD, *Koç University School of Medicine*

12:35pm - 1:45pm

Lunch/Poster Session/ Vendor Exhibit

1:45pm - 3:15pm

Breakout Sessions Round 2

Select one of the following sessions at time of registration

2A

Stirring the Pot: Blending Medical and Psychosocial Objectives Into Simulation Soup

David Kessler MD, MSc, *Columbia University Medical Center*

Jessica Kirsch BSN, RN, CPEN, *New York Presbyterian*

Hilary Woodward MS, CCLS, *New York Presbyterian*

Nazreen Jamal, MD, *Columbia University Medical Center*

Selin Sagalowsky, MD, *Columbia University Medical Center*

2B

Preparing Collaborative Practice-Ready Practitioners to Transform Patient Care

Carol Durham, EdD, RN, ANEF, FAAN, UNC, *UNC School of Nursing*

Benny L. Joyner, Jr., MD, MPH, *UNC School of Medicine*

2C

Show Me the Money: Creating Revenue Generating Proposals for Your Simulation Center

Joanne Choi, MPH, *NYSIM*

3:15pm - 3:30pm

Break

3:30pm - 5:00pm

Breakout Sessions Round 3

Select one of the following sessions at time of registration

3A

Need for Speed: Pros and Cons of Using Speeded Practice in Simulation Education

Martin Pusic, MD, PhD, *NYU School of Medicine*

Kinga Laura Eliaz, PhD, MSc, *McMaster University and NYU School of Medicine*

3B

Getting Real Patients Involved in Simulation-Based Education

Debra Nestel, PhD, FAcadMed, CHSE-A, *Melbourne Medical School*

Faculty of Medicine, Dentistry & Health Sciences, University of Melbourne

Faculty of Medicine, Nursing & Health Sciences, Monash University

3C

Nursing Student Perceptions of Standardized Patient Use in Health Assessment

Kellie Bryant, DNP, WHNP, *NYU Rory Meyers College of Nursing*

Larry Z. Slater, PhD, RN-BC, CNE, *NYU Rory Meyers College of Nursing*

5:00pm - 6:30pm

Cocktail and Networking Reception/ Optional NYSIM Tour

Plenary Speakers:

**Carol Fowler Durham, EdD,
RN, ANEF, FAAN**

Carol Fowler Durham is a Professor and Director of the Education-Innovation-Simulation Learning Environment (EISLE) in the School of Nursing at the University of North Carolina at Chapel Hill. Dr. Durham seamlessly integrates excellence in teaching with long experience in practice and scholarship to improve the ways faculty prepares the future nursing workforce. As a member of

the RWJFs *Quality and Safety Education for Nurses* (QSEN) project, she developed simulation-based educational experiences that reflect cutting-edge pedagogy. Dr. Durham has made significant and sustained contributions in interprofessional education and is a leader in preparing faculty to integrate quality and safety into their curriculum and their teaching. Disseminating her work widely via publications, presentations and online modules has extended its impact around the world.

Dr. Durham is a visionary leader in practice-based education, and is a highly sought consultant by simulation and skills laboratory faculty. Dr. Durham has presented at regional, national, and international conferences on simulation, quality and safety, and safe patient handling and movement. She exquisitely guides faculty to creatively address the practical challenges of teaching practice. She exudes such confidence and enthusiasm for excellence in teaching, practice and scholarship that faculty are inspired to continually pursue innovation and creative approaches to improving students' preparation for practice.

Dr. Durham's expertise and innovations in quality and safety education have been widely recognized. She is a fellow in the American Academy of Nursing and the National League for Nursing (NLN) Academy of Nursing Education. Dr. Durham received the 2010 Academic Achievement Award from Western Carolina University. She received the Alumni of the Year award from the University of North Carolina and Western Carolina University in 2008. In 2005 she was awarded the Nurse Educator of the Year from the NC Board of Nursing. She is immediate Past President of the *International Nursing Association for Clinical Simulation & Learning*.

**Rose Hatala, MD, MSc,
FRCPC**

Rose Hatala is a general internist and associate professor at the University of British Columbia. She is actively involved in simulation-based medical education (SBME) and is an associate editor for the journal *Simulation in Healthcare*. She has a career in medical education research with a focus on assessment, and is interested in how simulation is used for learner assessment. She is a co-author in an international collaboration using meta-analysis to investigate the effectiveness of SBME for learning and assessment.

the effectiveness of SBME for learning and assessment.

**Debra Nestel, PhD,
FAcadMed, CHSE-A**

Debra Nestel is Professor of Surgical Education, Department of Surgery, University of Melbourne and Professor of Simulation Education in Healthcare, Monash University, Australia. Debra is Editor-in-Chief, *Advances in Simulation* (www.advancesinsimulation.com), the journal of the Society in Europe for Simulation Applied to Medicine (SESAM). She is program lead for the Master

of Surgical Education (Department of Surgery, University of Melbourne and Royal Australasian College of Surgeons), a program designed for surgeons interested in advancing their educational practice. Debra co-leads the Master of Surgical Science, University of Melbourne – a program designed for junior doctors interested in pursuing a career in surgery. She is an honorary professorial fellow at Imperial College, London and Graduate Faculty Scholar in the College of Graduate Studies at the University of Central Florida. Debra leads a national program for simulation educators – NHET-Sim (www.nhet-sim.edu.au) and a state-based network in simulated patient methodology (www.vspn.edu.au). Debra has published over 140 peer-reviewed papers in health professions education, recently published a book on simulated patient methodology (2015), has edited a book on healthcare simulation to be published in 2016 and is now editing a book on surgical education for release in 2017. https://www.researchgate.net/profile/Debra_Nestel

Symposium Objectives

Participants will be able to:

Examine challenges in simulation in health professions education

Explore strategies to integrate simulation into curriculum and practice

Network with colleagues and experts in simulation education in healthcare

Symposium Fee and Payment Information

General: \$250

NYU/CUNY Faculty: \$200

(Breakfast, lunch, reception included)

Please make all checks out to “NYU School of Medicine”. We also accept all major credit cards.

Confirmation of registration will be emailed to the registrant once payment has been received.

Space is limited to 120 participants

Registration

To register please visit:

<http://bit.ly/29SJXia>

1. Once required fields are completed, click the submit button at the bottom of the page.
2. Your registration form will be submitted to the NYSIM inbox.
3. Once received we will confirm receipt via email with instructions to process payment.

Please contact us via email at nysim@nyumc.org

or call us at

(646)501-4077

if you have any questions about the program or to register.

Comfort

The symposium facilities are air conditioned, please consider bringing a sweater or light jacket to keep warm.

Attendance and Cancellation Policies

All cancellation must be submitted via email to nysim@nyumc.org by October 7th, 2016. Cancellation emailed by October 7th, 2016 will be issued a refund less \$50.00.

No refunds can be granted if cancellation is submitted after the deadline. The symposium hosts reserve the right to cancel or reschedule session due to any unforeseen circumstances.
